

As the winter season approaches, it is time to prepare ourselves for the possibility of canceling school due to unfavorable weather conditions. Please be aware of the following:

School closings, delayed openings, or emergency early dismissals will be communicated through our district's Global Connect Message System. You must be registered to receive those calls. (If you have not registered, call your child school office.)

Notices will also be placed, by 5AM, on the homepage of our school district's website ([www.twpunionschools.org](http://www.twpunionschools.org)) and on Channel 34.

There are times when a "90 Minute Delayed Opening" makes sense. In the case of a 90 Minute Delayed Opening, all school openings and bus schedules are simply pushed back 90 minutes.

During "Emergency Early Dismissal", this dismissal schedule will be followed:

UHS ..... 11:35AM

BUR/KAW ..... 12NOON

JEFFERSON ..... 12:20PM

ELEM ..... 1:00PM

PRE-K ..... 1PM (NOTE: On Early Dismissal Days the drivers who normally pick up Pre-K students are picking up high school students. Because of this, Pre-K students who want a ride home must wait until 1PM.)

The safety of our students and staff is always our top priority. When making a decision to modify the school schedule, we will always err on the side of caution.

Should you have any questions regarding the information above please contact your child's school principal.
