

# COVID - 19 GUIDELINES OVERVIEW

## Student-Athletes

**All screening procedures will be conducted outside.**

*If you have been on vacation prior to the start date of Monday, July 13, 2020, you must be quarantined for 14 days, starting on the day of home arrival. After completion of those 14 days, you may join your team's workout. Please let your coach know as soon as possible. PLEASE LET YOUR COACH KNOW AS SOON AS YOU CAN.*

### **Student-Athlete Responsibilities:**

- Complete the Covid-19 questionnaires; due no later than Monday, July 6, 2020.
  - <https://forms.gle/ZEkYm3oZJ2ETn6416>
- Complete Covid-19 Risk Assessment questionnaire daily.
  - <https://forms.gle/wA4phReuYrACtzMY6>
- Athletes must have a mask with them at ALL times.
  - Masks should be worn
    - prior to the start of the workout
    - after workout
    - when using the bathroom facilities

**ONLY COME TO THE PRACTICE FACILITY IF YOU HAVE BEEN DIRECTED TO DO SO AFTER COMPLETING THE QUESTIONNAIRE.**

### **When Arriving To The Facility:**

- Report to the Field House for screening.
  - **If you DO NOT have a mask and a water bottle you will be turned away!**
- If your parent or guardian drops you off, they must remain in their car in the area until their child's screening process is complete.
- If you have a temperature over 100.4F, you must leave **IMMEDIATELY.**
- Everyone will follow the recommendations given by the screeners.

### **Daily Requirements during Phase 1:**

- Face Mask
- Water Bottle (Minimum of 32 oz)
- Medication if necessary ( i.e. asthma, allergies, diabetes, etc.)
- Hand Sanitizer

**Personal items must be labeled with your first/last name and may not be shared!**
